RE: Application for teaching

April 25, 2023,

My formal educational background includes a Bachelor of Kinesiology, a Master of Education, and a Bachelor of Education (April 2023). Informally I have gained valuable life experience through travel, work, and parenthood. My lived experiences have taught me the importance of inclusivity, patience, empathy, and dedication while fostering a commitment to lifelong learning and growth. These qualities have instilled in me, a solid foundation to be an effective educator, and I am committed to creating a supportive and engaging learning environment for my students.

As a teacher, I am dedicated to creating a positive and inclusive classroom culture that fosters belonging, curiosity, creativity, well-being and critical thinking. I believe in the importance of tailoring instructions to meet the individual needs of each student while using a variety of instructional strategies to engage learners.

I am looking forward to the opportunity to discuss any opportunities further and demonstrate how I can contribute to the school community in your district.

Thank you for your time and consideration.

Sincerely,

Lamech Fuzzen
